**BASIS OF PRESENTATION
SCHEDULE OF CASH RECEIPTS AND DISBURSEMENTS
MARCH 1, 2012 – MARCH, 31 2012**

The information and data included in this First Post-Confirmation Operating Report (the "Operating Report") are derived from sources available to Lehman Brothers Holdings Inc. (as Plan Administrator) ("LBHI") and its Controlled Entities (collectively, the "Company"). The term "Controlled Entities" refers to those entities that are directly or indirectly controlled by LBHI, and excludes, among others, those entities that are under separate administrations in the United States or abroad and excludes Aurora Bank FSB, which is indirectly controlled by LBHI. LBHI and certain of its Controlled Entities had filed for protection under Chapter 11 of the Bankruptcy Code, and those entities are referred to herein as the "Debtors". The Debtors' Chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. LBHI has prepared this Operating Report, which includes certain information as required by the Office of the US Trustee, based on the information available to LBHI at this time, but note that such information may be incomplete and may be materially deficient in certain respects. This Operating Report is not meant to be relied upon as a complete description of the Debtors, their business, condition (financial or otherwise), results of operations, prospects, assets or liabilities. LBHI reserves all rights to revise this report.

1. This Operating Report is not prepared in accordance with U.S. generally accepted accounting principles (GAAP). This report should be read in conjunction with previously filed Form 8-K reports as filed with the United States Securities Exchange Commission ("SEC").
2. This Operating Report is not audited and will not be subject to audit or review by the Company's external auditors at any time in the future.
3. Beginning and ending balances include cash in demand-deposit accounts (DDA), money-market funds (MMF), treasury bills and other investments.
4. Beginning and ending cash balances are based on preliminary closing numbers and are subject to adjustment.
5. Beginning and ending cash and investment balances exclude the following:
 - Cash posted as collateral for hedging activity;
 - Cash related to LBHI's wholly-owned indirect subsidiary Aurora Bank FSB;
 - Cash held at real estate owned properties or at third party managers;
 - Cash transferred on or prior to September 15, 2008 by the Company in connection with certain requests by, and documents executed by, the Company and Citigroup Inc. and HSBC Bank PLC currently recorded at \$2 billion and \$30 million, respectively; and
 - Approximately \$500 million of cash that was seized by Bank of America ("BOA") post-petition to offset derivative claims against certain Debtors and corresponding guarantee claims against LBHI. Per the Court-approved settlement agreement with BOA, BOA released approximately \$356 million of these seized funds, including interest to LBHI in April 2012, net of approximately \$145 million which was used to offset claims by BOA against LBHI.
6. Restricted cash balances are based on preliminary estimates of cash in co-mingled or segregated accounts associated with pledged assets, court ordered segregated accounts, funds administratively held by banks, funds reserved for certain tax claims and other identified funds which may not belong to the Debtors or other Controlled Entities.
